# CACTUS

A ROLLING WORLD PREMIERE BY ERIC COBLE

## TOURING SEPTEMBER - NOVEMBER 2019

When school is out, there's nothing to do and the desert sun beats down hot. Sheila and her friends find themselves in search of something – anything – interesting to explore. So when a walking, talking, and surprisingly well-dressed coyote shows up, the kids find themselves on the adventure of a lifetime! Filled with magical realism and surprises at every turn, this funny story of friendship and imagination will bring the desert landscape to life. Families will love this brand new, original play!

This play was workshopped by Metro Theater Company and presented as a rehearsed reading in April 2018 at The John F. Kennedy Center for The Performing Arts as part of *New Visions/New Voices 2018*.
